Discover nature's treasures

Nature presents us with countless treasures, such as the scent of a rose, butter from the shea nut, and calming camomile. In combination with our passion for nature, we are constantly refining our recipes, which are based in part on a centuries-old tradition.

Our products are manufactured exclusively in Germany according to the BDIH Standard for natural cosmetics. We do not use animal testing, and as far as possible we source our plants from organic farming. Naturally, our products are

- Free from colours
- Free from mineral oils
- Free from animal-based ingredients

DAY CREAM

Your skin's beauty depends mainly on the health of the skin cells. This day cream by Vivian Weiss provides valuable moisture to dry skin using the finest ingredients, such as jojoba oil and aloe vera. Extracts of camomile and calendula work simultaneously to calm skin irritations. In order to maximise the natural effectiveness of this day cream, we recommend using Vivian Weiss cleansing gel for initial cleansing.

Instructions for use: Apply in the morning to cleansed skin on the face and neck and massage gently. This cream can also be used as a light night cream.

Ingredients: Jojoba oil, shea butter, calendula, camomile, vitamin E, aloe vera
